PUBLIC NOTICE OF HEARING ON
THE APPLICATION OF
CORONADO UTILITIES, INC.
FOR A RATE INCREASE FOR
SEWER SERVICE
(DOCKET NO. SW-04305A-09-0291)

Summary

On June 3, 2009, Coronado Utilities, Inc. ("Coronado" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for an increase in revenues for sewer service in the above-captioned docket.

Coronado is requesting an increase in its sewer utility revenues of \$156,498, an increase of 17.71 percent. Coronado is proposing to increase the Residential rate from \$46.50 per month to \$54.73 per month, an increase of \$8.23, or 17.6 percent. The Company's proposed rates for its Commercial, Mobile Home and School customer classes include a monthly customer charge and a charge based on the volume of water used. The Company proposes to increase both the monthly charge and the volumetric charge for each of these customer classes, and the effect on an individual customer will depend on usage. As an example, the Company estimates that for a commercial customer using an average of 7,608 gallons, the monthly bill would increase \$14.52, or 17.7 percent, from \$82.06 to \$96.58.

The Company has also proposed a low income tariff under which residential customers meeting the qualifications to participate would receive a 25 percent discount off their sewer bill. Under the Company's proposal the costs of the low income program would be recovered from non-participating residential customers in the form of a surcharge. The amount of the proposed surcharge would depend on the number of low income participants and is proposed to be re-calculated every six months.

If you have any questions concerning how the Company's rate proposal would affect your bill or have other substantive questions about this application, you may contact the Company at: **CORONADO UTILITIES, INC., 6825 E. TENNESSEE AVENUE, SUITE 547, DENVER CO 80224; 1-866-681-0148; or general@pivotalcompanies.com.**

The Commission's Utilities Division Staff has not yet made a recommendation regarding the Company's rate increase proposal, and the Commission will determine the appropriate rate relief to be granted based on the evidence of record in this proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and, therefore, the final rates approved in this docket may be lower or higher than the rates described above.

How You Can View or Obtain a Copy of the Rate Proposal

Copies of the application and proposed rates are available from Coronado by mail to Coronado Utilities, Inc., 6825 E. Tennessee Avenue, Suite 547, Denver, CO 80224, by telephone at 1-866-681-0148, or by email to general@pivotalcompanies.com, and at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona, and in its Tucson office, 400 West Congress, Room

218, Tucson, Arizona for public inspection during regular business hours and on the Internet via the Commission's website (www.azcc.gov) using the e-Docket function.

The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses.
